Preface

The books and articles contained in this listing have been useful to Institute for Program Evaluation analysts and evaluators. The bibliography was put together from their recommendations. Categories are neither exclusive nor exhaustive. Users of this list should also search the library for additional appropriate references. Since the bibliography will be updated periodically, we would appreciate users of this document notifying us of any other references that should be included. Contact Wallace M. Cohen, Institute for Program Evaluation Policy Group Head, (202) 275-3593.
